### **Community Service at St David's Sunday 14th December "Understanding Guilt"**

Although painful, guilt plays an essential role in human moral life and motivates people to make amends, repair relationships and grow in empathy. However if left unresolved, guilt can become toxic, damaging individuals, families and communities.

### **NEW - Ashprington Walking Football group - please register your interest.**

Walking Football is a modified version designed for all ages and abilities without the impact of traditional football. It is a great way to stay fit and enjoy some friendly camaraderie. There is no running or tackling.

In January, Hugh Clayson is starting a weekly Walking Football group (day and time to be decided) at the small pitch at Ash Meadow. The sessions are open to all ages and abilities, are free and will last up to 1 hour. All welcome. If you are interested, please email Hugh - [Hugh.clayson@icloud.com](mailto:Hugh.clayson@icloud.com) or call him on 07917 416361.
