Ashmeadow committee, who voluntarily manage and work on the compost area and community meadow on the communities behalf is looking for funding to assist future development and improvements . We would love to hear from anyone who may be willing to donate , no matter how much ,every £ will help . I If you feel you would like to help please talk to Ian confidentially or phone 07434412731

Free patio slabs Ian has received a kind offer to use some concrete slabs for the meadow but there are more available soon for free pick up. If you would like to take them (quite heavy) please phone Ian There are 3 at 60cm sq and 11 at 91 x 60cm

* **** Advance warning of compost site and top entrance closure *****

We are about to replace the very dilapidated shredded compost bays with more substantial arrangements .

This will mean that at some time in the near future the top entrance and compost site will be completely closed for at least two days . It would also be very useful if anyone requiring compost could take it and matt the book as soon as convenient as we would be prefer to have the site as clear as possible.Thank you .

Ditsum Players present
